DOCKET NO. 2001-475-C - ORDER NO. 2004-527

OCTOBER 25, 2004

IN RE:	Application of United Systems Access)	ORDER CANCELLING
	Telecom, Inc. for a Certificate of Public)	CERTIFICATE
	Convenience and Necessity to Provide Resold)	
	Interexchange Telecommunications Services)	
	within the State of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of United Systems Access Telecom, Inc. ("USA Telecom or the "Company") to cancel its Certificate of Public Convenience and Necessity ("Certificate") to provide resold interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that USA Telecom's authority to operate as a reseller of intrastate interexchange telecommunications services in South Carolina was granted by Order No. 2002-414, dated June 6, 2002.

By letter dated September 14, 2004, USA Telecom through the Company's general counsel, advises the Commission that the Company ceased doing business in South Carolina as of June 30, 2004, and therefore, requests that USA Telecom's Certificate of Public Convenience and Necessity be cancelled.

As USA Telecom is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that USA Telecom's Certificate of Public Convenience and Necessity to provide resold

intrastate interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

- 1. The Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services within the State of South Carolina authorized by Order No. 2002-414, dated June 6, 2002, issued in the instant docket to United Systems Access Telecom, Inc., is hereby cancelled.
- 2. This Order shall remain in full force and effect until further Order of the Commission.
